

## **Proposed Amendment to Bylaw 411.00 – Scheduling of Contests**

**Submitted by: Minnesota State High School League Board of Directors**

### **Bylaw 411.2**

(proposed language)

2. Member schools may schedule contests with non-member schools, provided that:
  - A. The non-member school follows all of the eligibility guidelines and bylaws of the state high school athletic/activity association in the state where the school is located; and
  - B. The state high school athletic/activity association is a member of the National Federation of State High School Associations and offers the athletic activity as one of the state associations official list of competitive activities; and
  - C. The participation by the non-member school has been approved for competition by that state high school athletic/activity association and the MSHSL.

#### **Rationale:**

Club teams or other school or non-school activities which are not under the umbrella of the state high school association identified in 411.2 (A and C) should not be considered to have met all of the requirements for participation as have all other activities under the jurisdiction of the state high school associations.
