More than 200 member schools participate in visual arts

Section festivals for Class A and Class AA schools are sponsored by the MSHSL. Each participating school may enter up to 18 total artworks in a combination of the 12 categories: 2D Mixed Media/Collage, Ceramics, Computer-Based Artwork, Crafts, Digital Photography, Drawing, Film-Based Photography, Graphic Design, Painting, Print Making, Sculpture, and Video Art.

The 2018-2019 school year was the 18th year of the program. More than 200 schools participated, with nearly 1,000 pieces of art entered at the festivals.

Student’s artwork is judged based on established criteria, and the piece may earn either an Excellent or a Superior rating. Listed below are the students who earned a Superior rating. Also listed are those who received the Spotlight on the Arts award. Each judge was able to select one artwork to receive this award, which is part of the Spotlight on the Arts program sponsored by Wells Fargo.
