Coaches Expectations

- Make sure that there are not too many kids on the lanes, that are not actively bowling. Only the current bowlers should be on the lanes and in that area. Please find a designated spot for participants while they are waiting for their time.
- Report Scratches to Tournament Staff located at the main desk.
- Please also keep your bowlers on task and ready to bowl at all times.
- The electronic scoreboard is the official score. If you have a problem with the lane, please consult with the bowling alley personnel.
- *PI bowlers:* Coaches may assist students in chairs and/or in need of a ramp. One assistant per bowler on the lane is allowed. The assistant can place the ramp on the lane, but final adjustment must be directed or completed by the bowler. The assistant may steady the ramp if needed. Assistants must not interfere with bowlers in the adjacent lanes.
- **Coaches/Schools will be asked to verify their participant's bowling scores with handicaps near the MSHSL Tournament Headquarters prior to the event awards ceremony. Please be prepared to verify scores.**

Speak with honor and thoughtfulness.

Use the power of social media for good.

Support those harmed by words or actions.

Honor each contest and everyone involved.

Hold yourself to high standards of sportsmanship.

MINNESOTA STATE HIGH SCHOOL LEAGUE

These policies "elevate standards of sportsmanship and encourage the growth of responsible citizenship among the students, members schools and their personnel," consistent with the Minnesota State High School League's Founding Purposes and the belief that sportsmanship needs to have a constant presence in all school-based activity programs. The League and its member schools work intentionally to create safe, welcoming and inclusive environments for fine arts activities and sports in our schools and competitions.

School officials are responsible for the proper conduct of teams, team members, students, and home spectators regardless of where the contest is being held. (Bylaw 409).
